⁶ This is a Legacy Product for existing Adelfi members who have this product. It is no longer being offered. Every quarter in which the account holding organization increases its balance, a growth bonus of up to 10 percent of the quarterly dividends will be paid to the account on the first business day of the following quarter. To achieve the maximum bonus, the balance in the account must grow by 2.5 percent or more. The actual bonus the account-holding organization receives will be four (4) times the growth percentage of the account balance within the quarter, multiplied by the dividends paid in the account over the course of the quarter, subject to the 10 percent maximum cap. (Example: 2.5 percent growth in dollars x 4 = 10 percent bonus, or 1.5 percent growth in dollars x 4 = 6 percent bonus.) Dividends are accrued daily and paid quarterly.

⁷ Money Market: Variable tiered rate account with easy access and maximum liquidity. See published rates.

⁸ Harvest High-Yield Savings: One Harvest High-Yield Savings account per member. Tiered-based savings account. See published rates.

⁹ Restricted to New Money only. New Money is money not presently deposited within Adelfi.

¹⁰ Dividends are paid monthly. See published rates.
